CHILTON PARISH COUNCIL

Clerk Christine Hargan 4 Northfield Road, Onehouse, Stowmarket, Suffolk IP14 3HF
Telephone 01449 674727 email Clerk@chiltonpcsuffolk.org.uk

Minutes of the Chilton Parish Council Meeting held on 20th July 2026

Present: Councillors (Cllr) Valerie Hart, Tony Foster, Andy Symons, Andrew Armitage, Alastair Lewin, John Steele and Mark Frost

In attendance: Christine Hargan Clerk. District Councillors (DCllr) Paul Clover were present for part of the meeting

26/701 **Apologies for absence**
Cllrs Margaret Maybury

Absent CCllr Philip Faircloth-Mutton

26/702 **Declarations of interest**
There were none

26/703 **Minutes** of the previous meeting
The Councillors the minutes were accepted as an accurate record of the meeting

26/704 **Public Participation session**
District Councillor Clover's Report
District Cllr Clover's full written report is provided in the appendix. In addition, he updated the meeting on the following points:

- **Chilton Woods – Reserved Matters** application **DC/25/05426** has now gone to committee. Both Cllrs Maybury and Clover expressed concern about traffic flow and site access. The crossing over Acton Lane remains hazardous.
- **Aubrey Drive Play Area:** £55,000 of CIL funding has been allocated for improvements, with a particular focus on sensory equipment to support children with disabilities.
- **Gt Waldingfield Accident (12 June):**A serious accident occurred near the convenience store. The adjacent fish and chip shop had previously gained planning permission, but parking provision remains inadequate.
- **Joint Local Plan – Call for Sites** is expected to be published later this year. Updated housing requirement figures are needed.
- **Heritage Sensitivity Assessment:** The previous assessment (March 2018) was referenced. Clarification was sought on its current stage, and whether a further assessment is planned.
- **Service Delays:** Some residents are experiencing delays of up to four weeks for refuse services to be restored. However, issues raised through District Councillors are often resolved within 24 hours. Affected postcodes have now been passed to BDC.
- **Local Government Reform:** Questions were raised about what the Reform party's proposals aim to achieve. Although it is acknowledged that due process was not followed, outcomes are unlikely to change. All Reform Councils intend to challenge the decision. If a decision is quashed, the Council must reconsider it and most probably reaching the same conclusion but following correct procedure.
  The option for two unitary authorities has been removed from consideration; one or three remain possible.
- **Sudbury Bus Station:** £250,000 has been allocated for improvements. BDC and SCC have completed a feasibility study to determine the station's future location. The decision to spend money on the bus station was questioned if it may be moved.
  Government funding has already been provided and must be spent. Demand surveys have been undertaken.
  A bus service for the health centre was discussed. SCC will determine how the funding is used.

DRAFT

- **Healthy Start Scheme:** Support is available for families experiencing food poverty. Further information: **healthystart.nhs.uk**.
- **Tourism Promotion:** BDC is promoting a Suffolk Wine Trail with an interactive map. Cllr Symons also suggested including a trail of microbreweries.

County Councillor Philip Faircloth-Mutton's Report

No report has been received.

26/705 Planning Applications

a. DC/26/02968 Land On The North Side Of Church Field Road Chilton Industrial Estate Chilton Suffolk
Application for Outline Planning Permission (Access points to be considered, Landscaping, Appearance, Layout and Scale Reserved) Town and Country Planning Act 1990 (as amended) - Erection of up to 210 homes (C3), public open space, pedestrian and cycle links, play area, drainage, landscaping, and all other associated works.

Planning Discussion – Key Issues Raised
Councillors noted that several documents cannot be viewed. Without access to the full submission, the Parish Council cannot form an informed opinion.
Heritage Concerns No information has been provided regarding Historic England's comments.
A request should be made for full heritage responses, including any archaeological or setting assessments.
Misleading or Inadequate Illustrations The illustration provided does not show 210 houses and therefore is not illustrative and is meaningless without proper detail or accurate representation.
Principle of Development The only element with any detail is the access, suggesting the outline application is being used to secure access rather than demonstrate the principle of development. Councillors questioned why outline permission should be granted when the applicant is not providing the required outline-level information.
Impact on the Industrial Estate The site sits at the end of an employment area. Concerns were raised that residential development would restrict future industrial uses due to noise, traffic, and amenity complaints. Sudbury Chamber of Commerce previously objected, stating that expansion of the industrial estate would be compromised.
Gas Power Station Questions were raised about the status of the planning consent, which was previously expected to remain for three years. No updated information has been provided.
Highways and Traffic The Aubrey Drive roundabout is inadequate, with poor visibility and known congestion. Traffic build-up and jams have already been reported. Traffic from the new estate traffic would "tuck in behind" existing flows, worsening conditions.
A request should be made for full Highways responses, including modelling and safety assessments.
The Strategy for Parish Council Response will be discussed at the next meeting in the meantime BDC should be asked for information in a way that does not reveal the Parish Council's full concerns, allowing objections to be fully developed before the developer attempts to counter them.
Councillors agreed the Parish Council should object.

DRAFT

Heritage and Environmental Responses A formal request should be made for:

Historic England's opinion
Environmental Health
Ecology and biodiversity responses
Any archaeological assessments

Appendix 1 lists documents, but many are inaccessible.

b. Other Planning matters

Winthrop Close planning Enforcement

Following discussion it was established that concerns for the Parish Council include

- Highway safety and emergency access failures.
- Unlawful intensification of use without planning permission.
- Potential unauthorised scrap-yard activity.
- Enforcement inconsistency (drive-bys vs official visits).
- Poor communication from the District Council.
- Neighbour impact and cumulative obstruction issues.

26/706 **Clerk's Report** The following were discussed:
Notice board for Chilton Place Clerk to ask Bryn at Barn Workshop whether it has been restored already and if not to ask him to undertake the repairs to it. Anderson Contractors to be requested to install the noticeboard in a prominent place near the Swayle or close to the children's playground.
Noticeboard for Chilton Woods – response awaited.
All actions are recorded in the Appendix

26/707 Finance

a. **To receive a financial report**
The RFO report was acknowledged and is attached in the appendix
Resolved to accept the report and to undertake the payments listed in the appendix

26/708 Review any issues raised on **Footpaths** and other CPC owned **assets**
Defer cutting of hedgerows until a future meeting.

26/709 Review of **Burial Authority** matters
The Churchyard gate had been left open following a recent event in the Church
Cllr Armitage agreed to check and relock the gate if necessary
Defer review of churchyard charges survey to a future meeting
Purchase of land as eventual extension to the churchyard and utility area. It was resolved to extend the parcel of land to include additional public footpath. Clerk and Chair to confer re approach the SCC and send off enquiry.

26/710 **Village Hall update**

- **Funding Issue Remains Unresolved**
  No formal written proposal has yet been provided by BDC, and the Parish Council still lacks the certainty required to proceed safely.
- DCllr Clover is attempting to expedite a meeting with BDC's Legal and Planning departments to resolve the current impasse. Despite various approaches, no meaningful progress has been made.
- DCllr Clover continues to gather information as set out in his report. The Council is also awaiting potential input from the Monitoring Officer, although no update has yet been received.

- Given the lack of movement, the Council may need to seek advice from an external legal advisor or mediator. This would help clarify responsibilities and ensure the Council is protected.
- Work on the current planning application may have implications for the village hall project. This adds further urgency to resolving the funding and governance issues.
- It was suggested that a clear time limit should be placed on negotiations to prevent further drift and ensure accountability.
- Cllr Frost suggested that BDC could build the hall themselves, potentially in conjunction with the sports pavilion. The view expressed was that it is better to have something delivered than nothing at all.

26/711 **Neighbourhood Plan (NP)**

Clerk has had difficulty in contacting people who volunteered at the Drop in therefore an initial meeting has been delayed. Parish Clerk was asked to provide admin support and bill hours to the NP project. Clerk to send out Terms of Reference (ToR) for working party. Agree dates for the meeting. Chair volunteered to contribute/create the Heritage part of NP.

26/712 **Dustbins and caddies**

Were discussed earlier in the meeting and have been passed to DCllr Clover to expedite

26/713 **Updated Policies**

The Council resolved to adopt both the **Data Protection Policy** and the **Accessibility Statement**, as recommended by the Internal Auditor, thereby fulfilling the Parish Council's publication obligations for inclusion on the website.

26/7/14 Questions to the Chair

There were none

26/715 Items for future meetings

Ceremony for airfield memorial,

Time date and place of next meeting

7.30pm 17th August for planning matters only. 21st September 2026 7.30pm both to be held at Gt Waldingfield Village Hall.

The meeting closed at 10.15pm

DRAFT

…… ……

Signed Date

Appendix
District Councillor's report Paul Clover and Margaret Maybury

DC/25/05426 Chilton Woods mixed development, land north of Woodhall Business Park – reserved matters.

This application went before the planning committee and was granted. Both Councillor Maybury and myself have expressed concerns about the necessary infrastructure to cope with traffic management and flow in the surrounding area.

CIL funding for local play areas

The play area on Aubrey Drive, on the parish boundary, has just been awarded £55,000 as part of a wider refurbishment programme. The upgrade should include more inclusive play equipment to support children with disabilities and incorporating sensory play features.

Accident Ten Trees Road Junction

Further to the accident which occurred on 11th June, this highlights the concerns the parish council raised at the time planning permission was given for the fish and chip shop and the lack of available parking facilities. The accident appears to have been caused by a car parked on the corner of Lavenham road with Heathway. A car trying to exit Heathway but could not see any traffic travelling towards Lavenham was hit by a car travelling in that direction. The problem including issues with the planning application has been highlighted to one of Babergh's Locality officers and will report back in due course.

Joint Local Plan – scoping consultation

A scoping consultation has now been launched inviting residents to share their views in terms of how they would like to see their communities developed in terms of social, economic, environmental factors including housing. We have been informed that further news about the Call for Sites register will be published towards the end of the year.

Better Recycling

The new collection rounds and crews are still in the process of bedding in and gradually improving the service. The phone system is still heavily over subscribed and the best way to make contact is still recycling@baberghmidsuffolk.gov.uk

In the event that your bin hasn't been emptied on the due date, please check the 'my bin hasn't been emptied' page on the Babergh website. If your road is listed, continue to leave your bin out and the crew will return as soon as possible, generally the next day. If problems persist, please let us know along with the relevant postcodes.

LGR

SCC's political leadership has now formally agreed to mount a legal challenge to LGR in Suffolk. This will not affect the implementation work currently underway or the day-to-day running of the council.

Sudbury Bus Station Improvements

£250k has been awarded to improve Sudbury bus station for passengers and operators alike. BDC and SCC are also to carry out a feasibility study to explore long term options for the site.

Healthy Start support for Suffolk families

Over 1,000 families in Suffolk are failing to claim the support available to them. The scheme helps with supplying healthy food options and increased payments are now available. Please pass this information on to any families who you think may be eligible. www.healthystart.nhs.uk

Suffolk Wine Trial
